## Potential Sponsor

After 4 years of helping people get on the right mountain, the time had come for a change is a course. The next logical step after learning how to lead yourself is to then lead others.

Next Level Leadership Summit is poised to be the premier location to equip leaders in seven different areas:

- Inner Leadership
- Outer Leadership
- Corporate Leadership
- Organizational Leadership
- Male Leadership
- Female Leadership
- Youth Leadership

To continue equipping Current and Future Leaders, we are looking for Sponsors to partner with us to provide a life-changing experience to all who watch.

I would like to invite you to serve as our Gold Sponsor for this year's event. (See attached Sponsorship Package for details.)

Secure your sponsorship as soon as possible, so that you can maximize and leverage the contents of the Title Sponsor. I am available via my contact information below to discuss any questions that you may have. You can find out more information about our past summits by going to:
